2. Purpose of By-laws

The Mangaung Municipality must exercise its powers under these By-laws in the interests of amenity, public safety and business interests, and must take into account the considerations that -

- (a) signs or advertisements may not constitute a danger or nuisance to members of the general public, whether by way of obstruction, interference with traffic signals or with the visibility of the signals, light nuisance or otherwise;
- (b) signs or advertising that are displayed in its human living environment must be aesthetically pleasing, appropriate and placed at appropriate sites with an uncluttered effect, as the cluttering of signs at any one particular site is unacceptable;

- (c) material changes in circumstances are likely to occur, which may affect the municipality's decisions regarding consent which it has granted for the display of a sign, and regarding zoning; and
- (d) no sign may -
 - (i) be detrimental to the environment or to the amenity of a human living environment by reason of size, shape, colour, texture, intensity of illumination, quality of design or materials or for any other reason;
 - (ii) be in its content objectionable, indecent or suggestive of indecency or prejudicial to the public morals;
 - (iii) unreasonably obscure, partially or wholly, any sign owned by another person previously erected and legally displayed; and
 - (iv) block views across vistas from prominent public places, or in gateways of urban areas.

3. Application

Subject to section 15, these By-laws apply to the display of any sign on any site in any of the areas of control in the Mangaung Municipality, including both private and public property.

4. Policy framework

The policy underlying these By-laws is the South African Manual for Outdoor Advertising Control issued by the Department of Environmental Affairs and Tourism and the relevant policy approved by the Council and dealing with matters of advertising.

CHAPTER 2 AREAS OF CONTROL, SIGNS, AND REQUIREMENTS AND CONDITIONS THAT RELATE TO EACH SIGN

5. Areas of control, and exemptions

- (1) The areas of control as contained in Schedule 36 and as may be re-classified by resolution of the municipality from time to time, pertain.
- (2) For the purposes of these By-laws the following areas of control exist:
 - (a) Rural areas of maximum control;
 - (b) urban areas of maximum control;
 - (c) urban areas of partial control;
 - (d) urban areas of minimum control; and
 - (e) areas of maximum control in which advertising is prohibited.
- (3) A person who intends to display a sign must verify that the sign may be displayed in a particular area of control.

- (4) The municipality has determined and declared the areas set out in Schedule 38 to be prohibited advertising areas within which no person may display any sign or advertisement.
- (5) The areas of control in which particular classes and types of signs may be displayed are identified in the Schedules which are specified in section 7(2).
- (6) Extraordinary circumstances prevailing in a certain area in the municipality may require the municipality to declare the area exempt from the provisions of these by-laws, and in determining whether extraordinary circumstances exist which justify exemption, one or more of the following may be taken into consideration:
- (a) Whether an urban renewal programme is in place which warrants a unique approach to outdoor advertising within its focus area;
 - (b) whether exemption from these by-laws will contribute to the success of the urban renewal programme;
 - (c) whether the organisers of an international sports, arts or cultural festival require exemption from these by-laws to contribute to the success of the said festival;
 - (d) the nature and function of the defined area;
 - (e) the enhancement of the defined area, which can be achieved by means of exemption;
 - (f) the financial benefit to either or both the municipality or the urban renewal programme accruing from such an exemption;
 - (g) the nature and extent of outdoor advertising, which will be permitted in terms of the proposed exemption; and
 - (h) whether the exemption granted will be in the public's general interests.
- (7) In the event of a special event, the municipality may, on application and payment of the fee determined by the municipality, grant, subject to any conditions it may deem necessary, an exemption from specific terms of these by-laws in respect of the sign types or areas of control, having regard to –
- (a) the area of control where it is proposed to display the sign;
 - (b) the nature of the event;
 - (c) the duration of the erection or display of the sign;
 - (d) the size of the proposed sign;
 - (e) any traffic, safety, environmental or heritage impact assessment as may be required by the municipality; and
 - (f) the outcome of any public participation process, if so required by the municipality.

6. Signs, requirements and conditions

The schedules in section 7 have effect and -

- (a) identify the class to which each of the different kinds of signs belong, and provide a general description of the characteristics and functions of each of the different kinds of signs; and
- (b) lay down the specific conditions relating to the display of each of the different kinds of signs.

7. Schedules

- (1) The classes of signs, the signs, the Schedules that relate to each of the signs, are as follows:
 - (a) Class 1: billboards and other high-impact free-standing signs, comprising -
 - (i) class 1(a), super billboards, schedule 1;
 - (ii) class 1(b), custom-made billboards, schedule 2;
 - (iii) class 1(c), large billboards, schedule 3; and
 - (iv) class 1(d), small billboards and tower structures, schedule 4;
 - (b) class 2: posters and general signs, comprising –
 - (i) class 2(a), large posters and signs on street furniture, schedule 5;
 - (ii) class 2(b), banners, flags and inflatables, schedule 6;
 - (iii) class 2(c), suburban signs, schedule 7;
 - (iv) class 2(d), temporary signs, comprising –
 - (aa) class 2(d)(i) ,estate agents' boards, schedule 8;
 - (bb) class 2(d)(ii), sale of goods, property or livestock signs, schedule 9;
 - (cc) class 2(d)(iii), pavement posters and notices schedule 10;
 - (dd) class 2(d)(iv), project boards, schedule 11; and
 - (ee) class 2(d)(v), temporary window signs, schedule 12;
 - (v) class 2(e), street name advertisement signs, schedule 13;
 - (vi) class 2(f), neighbourhood watch signs and signs relating to similar schemes, schedule 14; and
 - (vii) class 2(g), product replicas and three-dimensional signs, schedule 15;
 - (c) class 3: signs on buildings, structures and premises, comprising –
 - (i) class 3(a), sky signs, schedule 16;
 - (ii) class 3(b), roof signs, schedule 17;

- (iii) class 3(c), flat signs, schedule 18;
 - (iv) class 3(d), projecting signs, schedule 19;
 - (v) class 3(e), veranda, balcony, canopy, and underawning signs, schedule 20;
 - (vi) class 3(f), signs painted on walls and roofs, schedule 21;
 - (vii) class 3(g), window signs, schedule 22;
 - (viii) class 3(h), signs incorporated in fabric of building, schedule 23;
 - (ix) class 3(i), signs on forecourts of business premises, schedule 24;
 - (x) class 3(j), signs for residential-oriented land use and community services, schedule 25;
 - (xi) class 3(k), on-premises business signs, schedule 26;
 - (xii) class 3(l), signs on towers, bridges and pylons, schedule 27; and
 - (xiii) class 3(m), signs on construction site boundary walls and fences, schedule 28;
- (d) class 4: signs for tourists and travellers, comprising -
- (i) class 4(a), sponsored road traffic projects signs, schedule 29;
 - (ii) class 4(b), service facility signs, schedule 30;
 - (iii) class 4(c) tourism signs; schedule 31;
 - (iv) class 4(d), functional advertising signs by public bodies, schedule 32;
and
- (e) class 5: mobile signs, comprising –
- (i) class 5(a), aerial signs, schedule 33;
 - (ii) class 5(b), vehicular advertising, schedule 34; and
 - (iii) class 5(c), trailer advertising, schedule 35.
- (2) The areas of control are set out in schedule 36.
- (3) The figures which illustrate the restrictions on advertising opportunities inside and adjacent to road reserves at traffic intersections are contained in Schedule 37.
- (4) The areas in which the display of signs is prohibited are set out in schedule 38.

CHAPTER 3 CONSENT AND WITHDRAWAL OR AMENDMENT OF CONSENT

8. Consent, and contracts

- (1) A sign may not be displayed without consent that was granted by the municipality -
 - (a) by section 9 (referred to in these By-laws as “deemed consent”); or
 - (b) by section 10 (referred to in these By-laws as “specific consent”).
- (2) Consent for the display of a sign includes consent for the use of the site for the purposes of the display, whether by the erection of structures or otherwise, however consent granted for the erection of an advertising structure cannot be construed as consent to use the structure for advertising purposes.
- (3) A person who displays a sign on Municipal land is a tenant at will.
- (4) Since new types of signs are continuously being developed, and since the use of existing signs may become undesirable, it is provided that –
 - (a) a person who intends to display a sign -
 - (i) for which no provision is made in these By-laws;
 - (ii) which does not fall within any of the categories of signs provided for in these By-laws; or
 - (iii) the display of which is of such nature that it does not fall within the ambit of what is understood as ‘display’ in these By-laws,

must, before such a sign is displayed, apply for approval of the sign and for the display of the sign in terms of section 10, and the municipality may furthermore prescribe conditions applicable to the sign or the display of the sign; and
 - (b) the municipality may in writing notify a person who is displaying a sign, the display of which is found by it to be undesirable, to remove or cease the display of the sign.
- (5) A lease of land within the jurisdiction of the municipality does not confer the right to use the land solely for the purpose of advertising.
- (6) If a sign is not appropriate to the type of activity on or zoning of the erf or site to which it pertains, the sign and the display thereof may be considered on its merits by the municipality in terms of the municipality’s Outdoor Advertisement policy and the SAMOAC guidelines.
- (7) The municipality may require from a person who intends to display a sign –
 - (a) to enter into a contract, such as, but not limited to, an agreement, with the municipality where the sign is to be attached to a municipal asset, or to be erected on municipal land or land vested in the municipality, and the municipality will determine the duration of the contract and the fees to be paid by the person to the municipality; and
 - (b) where the municipality so requires, to sign an indemnity form in favour of the municipality and the municipality’s service providers.

9. Deemed consent

- (1) Deemed consent is hereby granted for the display of those particular classes and types of signs as specified in the Schedules, in the areas of control contemplated for each such class or type of sign.

- (2) The said deemed consent to display a sign is not absolute.
- (3) A person who intends to display a sign on private or Municipal land and has deemed consent is exempt from the provisions of section 10, but must comply with sections 18,19, 20, 21 and 22.
- (4) Upon a proposal made to it by the Environmental Committee that a particular class or type of sign should not be displayed in a particular area of control or in a particular case, the municipality may direct that the deemed consent, which was granted for the display of a sign in that particular class does not apply in that particular area of control or in that particular case, and may by written notice, require the person who displays a sign, forthwith to remove the sign, or to file, within the time period specified in the notice, an application in terms of section 10.

10. Specific consent, application, factors which municipality may consider, and renewal

- (1) A person who intends to display a sign on private or Municipal land and who needs to obtain the specific consent of the municipality as specified in the Schedule that relates to the sign, must –
 - (a) complete the necessary application form and comply with all the other requirements and conditions which are specified in the application form;
 - (b) lodge two copies of the application form with the municipality;
 - (c) obtain the consent of the municipality before he or she may display or alter the sign;
 - (d) comply with all the other provisions of these By-laws; and
 - (e) upon lodging of the form contemplated in paragraph (b) pay all the prescribed fees and charges as determined by the municipality from time to time.
- (2) The municipality, when it considers the application, may have, in addition to other relevant factors, due regard to the following:
 - (a) That no sign should be so designed or displayed that it will -
 - (i) be detrimental to the environment or to the amenity of the neighbourhood because of size, intensity of illumination, quality of design or materials, or for another reason;
 - (ii) constitute a danger to any person or property;
 - (iii) obliterate other signs;
 - (iv) be unsightly or impact detrimentally upon an architectural design;
 - (v) impair the visibility of a road traffic sign; or
 - (vi) affect the safety of motorists or pedestrians;
 - (b) the size and location of the proposed sign and its alignment in relation to an existing sign on the same building or erf and its compatibility with the visual character of the area surrounding it;

- (c) the fact that the proposed sign is to be located directly on or in the vicinity of trees, rocks, hill sides, other natural features and areas of civic and historic interest;
 - (d) the number of signs which is displayed or to be displayed on the erf or building concerned, and its legibility in the circumstances in which it is seen; and
 - (e) the merits of the sign if the sign is not appropriate to the type of activity on or zoning of the erf or site to which it pertains.
- (3) The municipality may require that additional drawings, calculations and other information be submitted on application and may require a certificate by an engineer. The certificate must give sufficient details –
- (a) to enable the municipality to establish if the proposed means of securing, fixing or supporting of a sign is sufficient to resist all loads and forces to which it may be exposed; and
 - (b) regarding the sufficiency of the margin of safety against failure, in compliance with the provisions of Regulation B1 of the National Building Regulations and Building Standards Act, 1977 (Act No.103 of 1977).
- (4) The municipality may grant consent subject to any condition it may deem expedient, or may refuse consent.
- (5) The municipality must, within 60 days after the application form has been lodged, notify the applicant in writing if consent has been refused or granted, and if consent is granted, the municipality must forward a notice of approval and one set of the application form and other documents that were submitted by the applicant to the applicant, and specify in the notice of approval the duration of the term of the consent.
- (6) A sign must be displayed within 12 months after the date on which the municipality granted consent, otherwise the consent expires.
- (7) The municipality must keep a register which is open to public inspection at all reasonable hours and which contains particulars of –
- (a) the application which was made to the municipality for specific consent for the display of a sign;
 - (b) the name and address of the applicant;
 - (c) the date of the application;
 - (d) the type of sign concerned; and
 - (e) any conditions relating to the display of the sign.
- (8) When a time period, which was specified in the approval expires, an application for renewal must, at least 30 days, if possible, prior to the expiry, be submitted for consideration of approval should a person who displays a sign intends to continue the display of the sign, and should the municipality refuse consent to display the sign, the person who displays the sign must forthwith cease to display the sign.

- (9) A person who must cease to display a sign must remove all structures or supports on which the sign was erected and rehabilitate the site on which the structures were erected.
- (10) The Municipality may, at any time, withdraw an approval granted by it or its predecessor, or amend any condition or impose a further condition in respect of consent granted, if a sign or sign structure –
- (a) is in a state of disrepair;
 - (b) stands empty for more than 90 consecutive days;
 - (c) no longer complies with any provision of these by-laws; or
 - (d) is substantially altered in any way from the original sign or structure that was approved.
- (11) All approved signs or advertisements should display an official sticker, number or other identifiable mark, developed and issued by municipality that can be used to determine the details of the sign. Signs without such identifying stickers, numbers or marks will be regarded as illegal and will be removed without any notice to the advertiser;
- (12) No person may in any manner whatsoever destroy, harm, damage or disfigure or deface the front or frontage of any municipal property, land, rock, tree or other natural feature or the front or frontage or roof of any building or structure during construction of or by the display or use of a sign or during the writing or painting of any sign.

11. Withdrawal or amendment of consent

- (1) If a sign or its display –
- (a) does not comply with any one or more of the provisions of these By-laws;
 - (b) is in a state of disrepair;
 - (c) constitutes a danger to members of the public;
 - (d) is erected on municipal property, which property is required for municipal purposes after approval was given; or
 - (e) is undesirable in terms of section 8(4)(b),
 - (f) needs to be removed or relocated to prevent competition with essential new road traffic signage or traffic control measures as a result of road or traffic control improvements;
 - (g) had been approved as a result of a misrepresentation by an applicant;

the municipality may at any time, and if necessary to do so to remedy a substantial injury to the amenity of the locality, decide to take any one or more of the following actions:

- (i) to withdraw its consent for the display of a sign;
- (ii) to amend any condition relating to the display of a sign;
- (iii) to impose a further condition to the display of a sign; or

- (iv) to order that the display of the sign be discontinued.
- (2) In extraordinary circumstances, such as required by the organizers of an international sports, arts or cultural event, the municipality may require from advertisers in certain areas of the municipality, to remove, cover up or cease to display all signs indicated by the municipality for a specific period of time, as required by the organizers of the event to contribute to the success of such an event, and –
- (a) the municipality shall not be liable to pay any compensation to the advertisers of these signs for the determined period;
 - (b) the municipality shall inform such advertisers by way of notices as prescribed in subsection (3); and
 - (c) the municipality shall be entitled to remove such signs, cease to display or cover up such signs if an advertiser fails to comply with the said notice.
- (3) The municipality must serve a notice of its decision on the person who displays the sign, and the notice must –
- (a) specify a period within which the sign is to be removed, or within which the use of the site is to be discontinued, and contain a full statement of the reasons why the display of the sign must be terminated; or
 - (b) specify any amendment to a condition relating to the display of the sign, and if applicable, a time period relating to the amendment; or
 - (c) specify any further condition which is imposed, such as, but not limited to, the remediation of the site on which the sign was displayed to its original condition, and if applicable a time period relating to the further condition; or
 - (d) if consent for the display of the sign is withdrawn, inform the person who displays the sign to remove the sign immediately, and
 - (e) specify the sign or the site to which it relates.
- (4) Where an advertisement is approved along a provincial or national road by another responsible road authority, the permission of the municipality must also be obtained if the advertisement will be located in the jurisdiction of the municipality, or where the signs will be visible from any municipal roads. Similarly, where the municipality approves a sign that will be focused on a provincial or national road, the permission of the relevant road authority also needs to be obtained before a sign may be displayed;

CHAPTER 4

DISPLAY OF UNAUTHORISED SIGN, ALTERATION OF EXISTING SIGN, DEPARTURE FROM APPROVED FORM OR PLAN, EXEMPT SIGNS, PROHIBITED SIGNS, AND TEMPORARY SIGNS

12. Display of unauthorised sign

- (1) No person may display an unauthorised sign on private or Municipal land.

- (2) A person who displays an unauthorised sign on private or Municipal land must, after service on him or her of a notice of compliance in terms of section 25(2) to that effect, immediately cease to display the sign by removing it and the structures on which the sign is affixed.
- (3) If, before the date specified in the notice, the person satisfies the municipality that he or she has complied with the provisions of these By-laws, the municipality may withdraw the notice.

13. Alteration of existing sign

- (1) No person may, without the prior approval of the municipality, alter an existing sign on private or Municipal land in instances where the display of the sign is subject to specific consent.
- (2) A person who alters such a sign displayed on private or Municipal land must, after service on him or her of a notice of compliance in terms of section 25(2) to that effect, immediately cease or cause to cease any alteration to the existing sign and must restore it to the state or display which had been approved by the municipality.

14. Departure from approved form or plan

- (1) No person, having obtained specific consent for the display of a sign on private or Municipal land, may do anything in relation to the sign which is a departure from any form or plan approved by the municipality.
- (2) A person must, after the service upon him or her of a notice of compliance in terms of section 25(2) to that effect, immediately discontinue or cause to be discontinued such departure.

15. Exempt signs

Display of the following sign is exempt from the provisions of these By-laws:

- (a) A sign which is displayed in an arcade and which is not aimed at road users;
- (b) any price ticket which is smaller than 0,01 square metres on an item that is displayed in a shop-window;

9. Only one sign may be displayed per building.
10. A sign may not project in front of a main wall of a building so as to extend in any direction beyond the roof of such building.
11. In an urban area of partial control, a sign must be placed well below the ridge of a pitched roof so as not to form part of the skyline of such building.
12. No specific limitations are imposed on the colour or texture of a sign.
13. Subject to the provisions of section 18(1), 19(4) and 22, illumination of a sign is allowed.
14. No advertising of this class of signs may be done on residential buildings.

SCHEDULE 18**Flat signs (Class 3(c)
(Section 7(1)(c)(iii))**

1. A sign may be displayed in an urban area of maximum control, an urban area of partial control and an urban area of minimum control, and at centres of economic activity in an urban area of minimum control.
2. Display of a sign is limited to buildings utilised for commercial, office, industrial or entertainment purposes, and larger accommodation facilities.
3. A non-locality bound sign may not be displayed on a building used mainly for residential purposes or for community services, or a community institution, a small enterprise and a practice on residential premises, or a small-scale residential-oriented accommodation.
4. Only a locality-bound sign may be displayed in a rural area of maximum control and an urban area of maximum control.
5. The requirements concerning consent are as follows:
 - (a) Display of a sign in a rural area of maximum control and an urban area of maximum control is subject to specific consent;
 - (b) display of a sign in an urban area of partial control and an urban area of minimum control is subject to specific consent for a non-locality bound sign;
 - (c) display of a sign in an urban area of partial control and an urban area of minimum control is subject to specific consent for a locality-bound sign above first-floor level; and
 - (d) display of a sign in an urban area of partial control and an urban area of minimum control is subject to deemed consent for a locality-bound sign at first or ground-floor level.
6. A sign in excess of 36 square metres in size may be displayed only after an environmental impact assessment, which includes visual, social and traffic safety aspects, has been undertaken and has been submitted to and approved by the municipality.
7. In an urban area of partial control and an urban area of minimum control, flat signs may be displayed at ground or first-floor level in accordance with the commercial, industrial or entertainment character of such zones, but the aesthetic control of the signs will be determined by the municipality from time to time.
8. The maximum size for a sign is as follows:
 - (a) In the case of a locality-bound sign, the total sign area for an enterprise may not exceed 20 percent of a specific ground-floor facade of the enterprise where the enterprise is situated in an urban area of maximum control;
 - (b) in the case of a locality-bound sign, the total sign area for an enterprise may not exceed 30 percent of a specific ground-floor façade of the enterprise where the enterprise is situated in an urban area of partial control and an urban area of minimum control;
 - (c) in the instance of a shopping centre, wall units on which flat signs are displayed may not exceed 30 percent of a specific facade of the shopping centre, excluding office levels; and

- (d) in the case of a non-locality-bound sign, the sign may not exceed 72 square metres, and the actual size of the sign will depend on the size of the specific side wall and on factors such as the character of the building and the streetscape as a whole.
9. The maximum projection of any part of a sign over a footway or ground level is 75 millimetres where the sign is less than 2,4 metres above the sidewalk or ground level immediately below the sign, and 300 millimetres where the sign is more than 2,4 metres above such footway or ground level.
10. No more than one sign per enterprise may be displayed in a rural area of maximum control and an urban area of maximum control, and no more than two flat signs per enterprise may be displayed in an urban area of partial control and an urban area of minimum control.
11. A sign may consist of a panel or sheet or of individual numbers, letters or symbols.
12. A sign may not cover a window or any other external opening of a building, or obstruct the view from such opening.
13. A sign may not extend above the top or beyond either end of a wall.
14. A sign may be attached to a flat wall surface only.
15. A non-locality-bound sign may be attached to the side wall of a building only.
16. A locality-bound sign may not be displayed above the lower edge of a visible second-floor window in a specific building façade, but a locality-bound sign for the following enterprises or function is excluded from this condition:
- (a) A bank and a financial institution;
 - (b) a larger apartment store;
 - (c) a larger hotel;
 - (d) a larger industry;
 - (e) a government institution;
 - (f) a shopping centre; and
 - (g) a building's name.
17. Items 12 – 16 of this Schedule do not apply to entertainment areas.
18. A sign may at no point project more than 300 square millimetres from the surface of the main wall.
19. No limitations are imposed on the colour or texture of a sign.
20. Subject to the provisions of section 18(1), 19(4) and 22, illumination of a sign is allowed.
21. A wall unit designed to display a flat sign at a shopping centre must be designed in such a way as to form a structural and architectural whole with the building of the shopping centre.

SCHEDULE 19**Projecting signs (Class 3(d)
(Section 7(1)(c)(iv))**

1. A sign may be displayed in an urban area of maximum control, an urban area of partial control, and an urban area of minimum control, and at centres of economic activity in a rural area of maximum control.
2. Display of a projecting sign is limited to a building utilised for commercial, office, industrial or entertainment purposes and to a larger accommodation facility.
3. A sign may not be displayed on a building used for residential purposes or for community services or community institutions, a small enterprise and a practice on residential premises, or a small-scale residential-oriented accommodation.

5. Consent requirements are as follows:
 - (a) Display of a sign in a rural area of maximum control and an urban area of maximum control is subject to specific consent;
 - (b) display of a sign above first-floor level in an urban area of partial control and an urban area of minimum control is subject to specific consent; and
 - (c) display of a sign below the lower edge of a visible second-floor window in an urban area of partial control and an urban area of minimum control is subject to deemed consent.
6. A projecting sign may not be affixed at a clear height of less than 2,4 metres.
7. A projecting sign may not exceed 300 millimetres in thickness.
8. The maximum sizes and dimensions of signs displayed in an urban area of maximum control are as follows:
 - (a) Where the clear height of the sign is below six metres, the maximum size of the sign may not exceed 1,2 square metre, the maximum horizontal width may not exceed one metre, and the maximum vertical length may not exceed 1.5 metre; and
 - (b) where the clear height of the sign is above six metres, the maximum size of the sign may not exceed four square metres, the maximum horizontal width may not exceed 1,5 metre, and the maximum vertical length may not exceed three metre.
9. The maximum size and dimension of a sign displayed in an urban area of partial control and an urban area of minimum control is as follows:
 - (a) Where the clear height of the sign is below six metres, the maximum size of the sign may not exceed 2,4 square metres, the maximum horizontal width may not exceed 1,5 metres, and the maximum vertical length may not exceed three metres; and
 - (b) where the clear height of the sign is above six metres, the maximum size of the sign may not exceed eight square metres, the maximum horizontal width may

not exceed two metres, and the maximum vertical length may not exceed five metres.

10. Only one sign may be displayed per enterprise facade.
11. In an urban area of partial control and an urban area of minimum control, a projecting sign may be displayed below the lower edge of a visible second-floor window in accordance with the commercial, industrial or entertainment character of such area, and the aesthetic control of the sign will be determined by the municipality from time to time.
12. The display of a projecting sign above the lower edge of a visible second-floor window is limited to the following enterprises or function:
 - (a) A bank and a financial institution;
 - (b) a larger apartment store;
 - (c) a larger hotel;
 - (d) a larger industry;
 - (e) a government institution;
 - (f) a shopping centre; and
 - (g) a building's name.
13. A sign may not be affixed otherwise than at right angles to the street line.
14. A sign may not extend beyond the top of the main wall to which it is affixed or above the level of the top of any parapet wall, or above the level of the underside of the eaves or gutter of a building from which the sign projects.
15. A sign may be suspended above a sidewalk and thus above an urban road reserve.
16. A sign with a clear height of less than six metres may not project at any point more than 800 millimetres from the surface of the main wall to which it is affixed, or more than one half of the width of the sidewalk immediately below such sign, whichever is the smaller dimension.
17. A sign may not be affixed in any way other than the top and the bottom of the sign being in the same vertical plane.
18. No specific limitations are imposed on the colour or texture of a sign.
19. Subject to the provisions of section 18(1), 19(4) and 22, illumination of a sign is allowed.
20. The provisions of section 21(1)(e) apply with regard to an illuminated sign within a restricted area on a street corner.
21. The supports of a sign must be neatly constructed as an integral part of the design of the sign, or else must be concealed from view.
22. A person who intends to display a projecting sign with a clear height of more than six metres, must submit a structural drawing to the municipality for consideration and approval by the municipality.

SCHEDULE 20
Veranda, balcony, canopy and underawning signs (Class 3(e))
(Section 7(1)(c)(v))

1. A sign may be displayed in an urban area of maximum control, an urban area of partial control, an urban area of minimum control, and at centres of economic activity in a rural area of maximum control.
2. Display of a sign in –
 - (a) a rural area of maximum control is subject to specific consent;
 - (b) an urban area of maximum control is subject to specific consent;
 - (c) an urban area of partial control is subject to deemed consent; and

 - (d) where a free-standing combination sign may prevent a proliferation of signs.
5. Only one sign per enterprise may be displayed on a combination sign.
6. If there is more than one entrance to premises on different road frontages, two signs or advertising panels may be displayed per enterprise, each on a different road frontage.
7. Display of a sign at a farm stall or an access road to a farm or smallholding in an urban area of maximum control is subject to the following conditions:
 - (a) A maximum sign area of two square metres is permitted, provided that where a sign is affixed to a non-advertising structure such as a boundary wall, gate or gate structure, the sign may not occupy more than 50 percent of the structure to which it is affixed;
 - (b) a sign may not extend above or beyond any of the extremities of the structure to which it is affixed;
 - (c) where a solid advertising structure is used, the maximum area per sign, including the supporting structure, may not exceed four square metres, and the sign panel or lettering may not occupy more than 50 percent of the total sign area; and

- (d) where a sign is incorporated in a combination sign displayed at an access road, the maximum sign panel area may not exceed 1,5 square metre.
8. Display of a sign, excluding a sign displayed in terms of item 4(c) above, in an urban area of maximum control is subject to the following conditions:
- (a) A maximum sign area of 4,5 square metres is permitted, provided that where a sign is affixed to a non-advertising structure such as a boundary wall or gate structure, it may not occupy more than 50 percent of the structure to which it is affixed;
 - (b) a sign may not extend above or beyond any of the extremities of the structure to which it is affixed;
 - (c) where a solid advertising structure is used, the maximum area per sign, including the supporting structure, may not exceed nine square metres, but the actual sign panel or lettering may not occupy more than 50 percent of the total sign area; and
 - (d) where a sign is incorporated in a combination sign, the maximum sign panel area per sign panel may not exceed three square metres.
9. Display of a sign in an urban area of partial control and an urban area of minimum control is subject to the following conditions:
- (a) A maximum area of six square metres per sign is permitted, provided that where a sign is affixed to a non-advertising structure such as a boundary wall or gate structure it may not occupy more than 50 percent of the structure to which it is affixed;
 - (b) a sign may not extend above or beyond any of the extremities of the structure to which it is affixed;
 - (c) where a solid advertising structure is used, the maximum area per sign, including the supporting structure, may not exceed 12 square metres, but the actual sign panel or lettering may not occupy more than 50 percent of the total sign area; and
 - (d) where a sign is incorporated in a combination sign, the maximum sign panel area per sign panel may not exceed of 4,5 square metres.
10. The following conditions apply to the height of a sign:
- (a) The highest point of a single-freestanding sign at a farm stall and a farm access road in an urban area of maximum control may not exceed a height of three metres above ground level, and that of any other sign may not exceed four metres;
 - (b) the highest point of a combination sign at a farm stall and a farm access road in an urban area of maximum control may not exceed a height of four metres above ground level, and that of any other combination sign may not exceed seven metres;
 - (c) the highest point of a single-freestanding sign in an urban area of partial control and an urban area of minimum control may not exceed a height of four metres above ground level; and

- (d) the highest point of a combination sign in an urban area of partial control and an urban area of minimum control may not exceed a height of 10 metres above ground level.
11. The name or logo, or both the name and logo of the sponsor of an on-premises business sign may not occupy more than one-third of the total area of a sign, and it must refer to products and services available on those specific premises or at that specific enterprise.
 12. A sign displayed in an urban area of partial control and an urban area of minimum control may not have in its design any letters, figures, symbols or similar features over 0,75 metre in size.
 13. A sign displayed in an urban area of maximum control may not have in its design any letters, figures, symbols or similar features over 0,35 metre in size.
 14. A sign displayed may not serve as an advance sign and may be displayed only on the premises where the business is conducted.
 15.
